

CAPABILITY STATEMENT

Marine Services & Vessel Hire

Marine vessel hire and operational support

Reliable workboats. Experienced marine personnel. Nationwide mobilisation.

Company Overview

Mara Marine Ltd is a Kilrush-based marine services and vessel hire company established in 2025 by three experienced workboat skippers and engineers. Each director brings five years of practical experience operating and maintaining work vessels for marine contractors and through their own vessel operations.

With two road-transportable P4 workboats available countrywide, a locally based P3 vessel serving the Shannon Estuary region, and a new road-transportable P3 survey workboat due in November 2026, Mara Marine can support both planned campaigns and responsive marine operations.

Core Capabilities

Hydrographic and environmental survey vessel support, including multibeam operations	ADCP deployment and recovery
Static acoustic monitoring equipment deployment, recovery and mooring assembly	Marine mammal and seabird transect surveys
Safety-boat, lines-boat and marine civil works support	Towing, pushing, capstan and drum-winch operations
Diving vessel support, crane operations, crew transfer and equipment transport	Qualified skippers, engineers and STCW-approved crew supplied for third-party vessels

Safety, Compliance & Personnel

Zero-accident record. Operations are fully insured and supported by risk assessments, method statements, pre-departure checks, planned maintenance and vessel drills. Crew credentials include Officer of the Watch (Unlimited GT), licensed engineers, Advanced Powerboat endorsements and STCW certification.

Relevant Experience

The Mara Marine team has supported marine survey, energy, infrastructure, port, wildlife and coastal projects, including subcontracted work associated with **Irish Hydro Survey, ESB Moneypoint, Tarbert, National Parks and Wildlife Service, Gas Networks Ireland, Shannon Foynes Port Company, Clare County Council, Dublin Port and the Irish Whale and Dolphin Group.**

Marine crewing support has also been provided to **Fastnet Shipping, Atlantic Towage, Treyton Marine, Fish Care Solutions, Fraser Ferries and Kenmare Boat Tours.**
